

# FeedComp Data Sheet

Please fill this sheet out completely and return to VAS' Feed Support team at: [fwsupport@vas.com](mailto:fwsupport@vas.com)

## General Information

Company Name	Date

List all integrations (this includes devices) required with their respective names and type of device.  
**(ALL devices that will log into FeedComp will need separate integrations (phones, tablets, etc.))**

Integration Name	Device
<i>Example: Feeding Tablet</i>	<i>Samsung Galaxy Tab 9</i>

List all names, email addresses, and roles for users you wish to connect to your FeedComp.  
*To access FeedComp, users must first accept a PULSE Platform invitation to your dairy and then use that email to log in to the application upon startup.*

Name	Email	User Role

## Premixes

Also known as pre-batches, these are the mixes you make ahead of time and will add to another mix later.

**PLEASE INDICATE AF or DM**
